Christian Business Conference Partnership Form
Thursday and Friday, July 28th and 29th, 2022, Omaha, NE

As we have been seeking the Lord's insight on what He'd like us to focus on this year, we have felt drawn to the book of Nehemiah. The call to rebuild, to restore, to set up a pure and safe inheritance for generations to come. We have sought out speakers and business leaders to highlight the importance of this restorative call and many already had Nehemiah on their hearts and minds before speaking to us.

We are thrilled to announce our speakers: Dr. Lance Wallnau, Kevin Jessip, Pastors Hank and Brenda Kunneman, Jerry Perera, Eric L. Dunavant, Michael LaBroad, Dr. Ben Tapper, and Desiree Bougher. Other special guests will take the stage throughout the event.

Our special music and worship will be led by The Isaacs and Jasmine Brady.
